# ROLE CALL

Meet Our Hiking & Biking Director  
Welcome Back Ariel!

I'm Ariel, your Hiking & Biking Director this summer. I call Long Island, NY, my home, and this will be my ninth year at camp, with the third year as the director. Right now, I'm studying biology abroad in Manchester, England. Get ready for incredible adventures on our camp's fantastic trails. Our campsite spans a vast 1500 acres in a private Adirondack reserve, offering numerous hikes, biking trips, and camping excursions to nearby sites, rivers, and lakes. Our motto is "Chillin' n' Grilling," and we have a variety of activities planned, including fort-building, story-telling, and marshmallow roasting. I'm excited to meet all of you this summer and explore the wild woods together.
